**BRIEF STATEMENT OF PROGRESS IN MEETING THE
FIVE-YEAR PLAN AND MISSION GOALS**

During the first eight months of our fiscal year, WHA went through a transition period which began with the retirement of the Executive Director in April 2001. The Director of Maintenance resigned from his position, the Assistant Director of Maintenance retired, and the HOPE VI Coordinator retired.

In the absence of an Executive Director the Board of Commissioners hired an Interim Director from June to November to assist the Authority with a nationwide search of an Executive Director. The new Executive Director will begin work on November 12, 2001.

During these changes the Board of Commissioners met in a Strategic Planning Session to establish a new mission statement as well as goals and objectives for the Authority. These goals and objectives will be discussed and reviewed with the new Executive Director when he begins work.

Even though the Authority is undergoing some major changes, we have continued to work towards our goals and objectives already established and have accomplished the following during the year:

1. Submitted and received approval of a Tax Credit Application for Robert S. Jervay Place, HOPE VI site.
2. Applied for a second Federal Home Loan Bank Grant in September 2001 for \$500,000 to be used as downpayment assistance at Jervay.
3. Received approval of the Revitalization Plan and submitted a Homeownership Plan to HUD for Robert S. Jervay Place.
4. Received a parcel of land from the City (water tower site) located across from the Jervay HOPE VI site for six (6) Tax Credit units.
5. Submitted an Acquisition Plan to purchase a site for the Tax Credit Application for Robert S. Jervay Place.
6. Closed on the purchase of the Dove Meadows Property located in the southern portion of the City for the development of affordable housing units.
7. The NC Governor's Crime Commission awarded WHA a Title V grant in July 2001 for \$60,000 of their funds and \$30,000 matching funds for a total of \$90,000 to fund the Kids Making It Woodworking program.
8. Received a grant in the amount of \$50,050 to fund the Family Self-Sufficiency's Section 8 Case Manager's position.

9. Between the staff and the Commissioners, spoke to at least 11 civic organizations and/or agencies during the year to promote good public relations and a better understanding the WHA.
10. Assisted seven (7) families move from rental to homeownership.
11. During the first seven months of 2001, there was a 29% drop in violent crime in our public housing developments as compared to the same seven months in 2000.
12. Received a Drug Elimination Technical Assistance Program Grant to assist the Authority in screening and lease eviction for drug related activity.
13. Hired a full time staff person as the Crime Prevention Specialist to serve as an advisor to the Authority on all safety and security related programs and to serve as a liaison between the Authority and the Wilmington Police Department.

REVIEW OF PROPOSED CHANGES TO ACO AND SECTION 8

Group divided. S. Benton took Section 8 group to another location for discussion.

REVIEW OF ACO - Marie Wrisborne

- Rent based on gross income - question.
- Earned income discussed. Income discrepancy discussed.

A discussion was held concerning the regulatory change with regard to assessment of a late fee for past due rents. Mrs. Wrisborne reported that late letters would be sent out on the 2nd of each month, but residents would still have until 5:00 p.m. on the 5th of the month to make rent payments before a late fee will be assessed. Residents must be given a 14-day written notice of a demand for rent before court papers are submitted.

Rose Coston will see that each development receives a comment sheet.

RESPONSE TO SOLOMON TOWERS RESIDENT ORGANIZATION QUESTIONS RECEIVED 11/11/01:

1. Our last plan included that when an apartment became vacant, the asbestos would be removed, new counter tops would be put in and new oven blowers and cabinets.

There is money in the budget for asbestos removal and it is being done. When an apartment becomes vacant and there is damage to the floor tile or ceiling, CM will abate the unit.

The cabinets are being replaced as needed. When an apartment becomes vacant, the cabinets are assessed and if they are damaged, they will be replaced.

Range Hoods (oven blowers) – There is nothing currently budgeted in the Five-Year Plan for this – Will take this into consideration when doing our Needs Assessment.

2. **The inside of our building needs repairs, such as new elevators that are handicapped accessible. We need new wallpaper in the halls on each floor. The pipes need to be brought up to standards as well as the electrical wiring in the walls.**

There is nothing currently budgeted for this in the Five-Year Plan. We may need to do a Budget Revision regarding the wallpaper in the halls. WHA will take all of this into consideration when doing our Needs Assessment. Currently, in checking with the Maintenance Department, there is nothing out of compliance relating to the pipes and electrical wiring.

3. **We need emergency call cords in common place areas, such as beauty shop, recreation area, resident organization office.**

There is nothing currently budgeted for this in the Five-Year Plan. Will take this into consideration when we conduct our Needs Assessment.

4. **We need a good fire plan. If we are going to have handicapped people living on the eleventh floor, we need ramps in the stairwells, so these people can get out of the building safely.**

Fire plan instructions are posted on each floor. A fire drill is held every three months. It is physically impossible to get ramps in the stairwell. The plan presently in place is that the resident closes the door and goes out on the balcony.

5. **Need doorbells for hearing impaired. We now have people living in these apartments that are not hearing impaired.**

The Manager is checking on the number of people that are in apartments that are not hearing impaired. As soon as a licensed electrician is hired for WHA, we will take care of this matter.

6. **We need little ramps for everyone that has a wheelchair to be able to get on their balcony.**

Individual ramps were installed on all ten of the 504 units. We will take this into consideration.

7. **Alarm doors need to be put on each fire exit door at the end of the hall downstairs. Even the ones on each floor, all the way up to the eleventh floor.**

Need to get comments from Mr. Guarascio, Crime Prevention Specialist - Will taken this into consideration when the Needs Assessment is done. May need to revise the budget.

TOWN MEETINGS HELD- NOVEMBER 26-29, 2001

- Question: With regard to rent payments, will a late fee be assessed if you receive a letter?
- Answer: No, the letter would be a notification letter, not a later letter. Residents would still have until the 5th day of the month to make rent payments.
- Question: During review of the Capital Fund portion of the Agency Plan, a resident asked if the gas lines at Houston Moore could be repaired.
- Answer: Contact the Property Manager or maintenance personnel at your development and report any problems concerning problems with North Carolina Natural Gas. Staff will look into this.
- Question: The residents at Rankin Terrace signed a petition for screen doors. What is the status of that?
- Answer: Staff will check on the status of this.
- Question: Is there a policy in place for police surveillance of the developments?
- Answer: The Wilmington Housing Authority and the Wilmington Police Department must work together to enforce loitering laws.
- Question: With regard to income exclusion, what if there is a discrepancy regarding non-reported income?
- Answer: Notify management and submit necessary documentation. This is procedural and would not affect the policy.
- Question: With regard to the Capital Fund, Could the Rankin Terrace Recreation Center be made accessible for the children? Also, there are some landscaping problems that safety concerns.
- Answer: Some of these issues could be addressed through the Resident Advisory Board. Staff will look into helping the residents of Rankin Terrace establish a slate of officers to represent the development on the Resident Advisory Board.

- Question: Will Solomon Towers receive any funds from the Capital Fund for improvements?
- Answer: Staff responded that they have received a list of concerns from the Solomon Towers Residents Advisory Board. Ms. Reeves is planning to meet with the management and maintenance staff of Solomon Towers to review the concerns on Monday, December 3, 2001.
